Minister, Clerk, DM,

Emerson – Uneventful overnight. Meeting scheduled between RCMP negotiators and protest leaders at 09:00. RCMP are finalizing plans in the event more assertive enforcement action is required. At this point RCMP advise they are confident existing enforcement powers are sufficient to manage the protest. Given the number of large farm implements, this has necessitated the development of unique planning requirements different than both Alberta and Ontario. RCMP very engaged nationally to maintain awareness of enforcement actions in other jurisdictions.

Winnipeg – Uneventful night. Very low attendance yesterday, with under 50 protestors and no counter protestors. Some media criticism for the removal of the two intoxicated persons from the intersection of Osborne and Broadway. WPS will likely conduct a media briefing today. There was no march by the Premier’s residence.

Airport – No change.

Other protests – No intelligence on further protests today.

Mike
